2016 Butternut Cabernet Sauvignon

---

What is Butternut Cabernet Sauvignon?

## What does it taste like?

The old adage says that Cabernet is king. We created Butternut Cabernet to be king in delivering maximum flavor, quality, and value. Aromas of red berry fruit emerge from the glass with flavors of dark chocolate and round tannins lingering on the palate.

## Why Butternut Cabernet?

Because everyone has a dark side. Our Butternut Cabernet is loaded with dark, rich fruit.

## What happened in 2016?

After a rollercoaster 2015 vintage, we settled into an ideal 2016 vintage. Mellow, even weather led to normal to above average yields with tremendous quality. Wines from the 2016 vintage are bold and vibrant. It could possibly be one of the top vintages in the last two decades.
